RehabVisions & Cariant Health Partners Foundation | 2022

ANNUAL REPORT

January 2023 marked the one-year anniversary of the RehabVisions & Cariant Health Partners Foundation. The Foundation brought our corporate giving initiatives together to strengthen our mission to uphold the values of RehabVisions and Cariant Health Partners by supporting partnerships, employee/patient hardships and scholarships.

While we initially began by establishing the Foundation and its administrative functions, we wasted little time getting to the Foundation's main objective of supporting the communities we work and live in.

Our corporate giving initiatives allowed us to partner with facilities, community events and other campaign efforts to support health and wellness activities, fundraising events and various expansion and building efforts.

We were excited to begin working with colleges and universities on scholarships endowment opportunities and look forward to expanding that in 2023. We established a new long-term endowment with Creighton University and partnered with an already existing endowment effort with the University of Colorado.

Our 2022 donation amounts totaled \$62,650 and broke out as follows:

Facility & Community Foundations: \$34,740

Health & Wellness: \$8,150

Fundraising activities: \$9,760

College Endowments: \$10,000

Some of our largest donations went to: Spurgeon Manor, Netawaka Family Fitness, Shelby County Health Foundation, Creighton University Scholarship Endowment, Pleasantview Home and Stephen Center.

Other partners we supported included:

McPherson Healthcare Foundation, Lake of the Ozarks Open, American Foundation for Suicide Prevention, Palmer Memorial Foundation, Community Medical Center, Orchard Hospital Foundation, University of Colorado Foundation and many more!

We thank our employees that participated in and recommended charities and other giving opportunities in their communities. We are proud to be able to give back to the communities we serve and look forward to expanding our corporate giving partnerships and college endowment programs in 2023.
