# RehabVisions & Cariant Health Partners Foundation | 2023

## ANNUAL REPORT

In our second year of operation, the RehabVisions & Cariant Health Partners Foundation has remained committed to the core mission of upholding our shared values by supporting partnerships, advancing education and assisting communities in times of hardship.

### Committed to our **CORE MISSION** of upholding the values of RehabVisions & Cariant Health Partners

Whether it was through fundraising efforts, supporting community foundations, promoting wellness or a host of other initiatives, our Foundation continued to make a positive impact as we strive to contribute to the communities we serve.

Some of our significant highlights of the year included a new partnership with Rose Blumkin Jewish Home on their restoration and new construction initiative as well as our ongoing partnership with Shelby County Health Foundation's Make a Splash Campaign. Other ongoing Foundation partnerships include Mercy Health Care, Schuyler Memorial Hospital, St. Luke, McPherson County, Prosser Memorial Health and Kittitas Valley Healthcare Foundations. These collaborations not only strengthened our network but also enabled us to leverage resources for a broader scope of effectiveness for our Foundation's activities.

In 2023, we partnered with the Cariant & RehabVisions Volunteer Committee to support the Walk to End Alzheimer's and Corporate Cycling Challenge. Other volunteer and wellness initiatives we supported this year included Hawkeye Area Down Syndrome Association (HADSA), Hope for All, various hospital charity events, several community YMCAs and the NFV Dollars for Scholars.

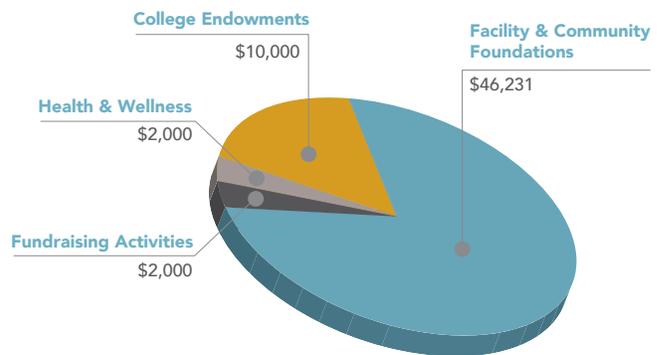

By continuing to nurture partnerships with several colleges, we're preparing the groundwork for future educational assistance opportunities including scholarship and endowment programs alongside our ongoing endowment projects at Creighton University and the University of Colorado. This initiative seamlessly aligns with our dedication to shaping the next generation of healthcare professionals and future leaders.

Reflecting on the past year, we extend our gratitude to all of our partners, supporters and employees. Together, we look forward to another year of expanding our impact, fostering meaningful change and advancing our shared vision.

If you have a charitable cause in your community that you would like the Foundation to consider, please [complete the request form](#) available on our website.

**Our 2023 donation amounts totaled \$60,231 and broke out as follows:**
