RehabVisions & Cariant Health Partners Foundation | 2024

ANNUAL REPORT

The RehabVisions & Cariant Health Partners Foundation proudly marks the completion of our third year of operation. Staying true to our mission, we continue to support the communities we serve and strengthen our long-standing partnerships, while expanding our efforts in advanced education.

Supporting the next generation of **HEALTHCARE PROFESSIONALS** remains a cornerstone of our mission.

In 2024, we deepened our commitment to educational support by broadening our scholarship endowments. In addition to our ongoing partnerships with Creighton University and the University of Colorado, we welcomed the University of Mary (North Dakota) and are currently developing endowments with the University of Nebraska Medical Center and institutions in Iowa, Washington and others.

Supporting the next generation of healthcare professionals remains a cornerstone of our mission. If you are a graduate of any university where we have an endowment and are interested in giving back, please reach out to us directly.

This year also saw continued support for long-time partners such as the Rose Blumkin Jewish Home and its construction initiative, St. Luke Hospital Foundation, Prosser Memorial, Manning Regional Healthcare Center, Montgomery County Memorial Hospital Foundation, and CHI Corning.

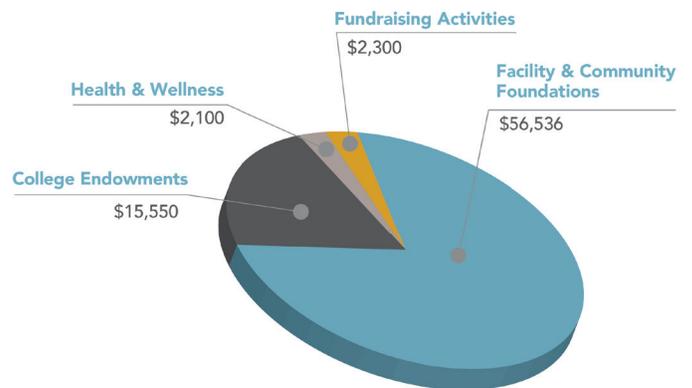

We were also honored to extend support to new recipients, including the Horn Hospital Foundation, MMCRU Area Health Professionals, North Fayette Valley Dollars for Scholars, and Texas Organization of Rural and Community Hospitals (TORCH).

We are deeply grateful to our partners, supporters, and employees for their continued generosity and commitment. As we look ahead, we remain dedicated to advancing the mission and values of RehabVisions and Cariant Health Partners through community support, educational investment, and charitable giving.
